

## Cody

X 690 Giuseppe Iasparra

Seat in beech plywood, covered in triple density polyurethane foam, with shaped Memory Foam padding to allow it to hold its shape over time. Backrest cushion in sterilised goose down. The seat upholstery is not removable, but the backrest upholstery, in leather or fabric, is removable. The frame is in solid ash wood moulded and shaped with CNC machines. Painted with water-based colours in black and Mink Brown. The armchair back is a finely woven leather mesh, polished on the back. Sewn and assembled manually by expert artisans, the woven piece is the same colour as the wood frame: dark brown thick leather with Mink brown frame – black leather with a black frame.
