Land / sliding doors

Serie 341 Alessandro La Spada

Land is a system of sliding modules, hinged doors and boiserie panels matched with accessories that create the possibility of development in space by combining distinct taste and effective functionality. This is an authentic domestic architecture made up of made-to-measure design based on careful and thorough research. In nite composition options, innovative technologies that include accessories and lighting, original coverings – such as paper made from cork embellished with tiny golden akes.
