

## Leather carpets

### V 400 Studio C

#### **Trilogy**

Made in three types of leathers from the catalogue. Present in two different versions: Glossy Trilogy or Smooth Trilogy, the variant that distinguishes the models is the glossy or matt finish of the external strip of leather.

#### **Chekiang**

Made of chekiang lamb skins, with an antiskid base, in three types: with no borders, with 15 cm perimeter border in the leather sample colour or without borders with inserts in "Pony" finish cow leather sample colour.

#### **Cow carpet**

Made of cow leathers with «Pony» finish, assembled together with an inside padding and an antiskid base. Leathers as in the sample colours.

#### **Synthetic**

A vast selection of carpets in plain colours, with different features and different colours, for contemporary or classic, produced with criteria to obtain absolute safety and quality. Also, there is a wide selection of Suede and Nabuck leathers for the perimeter border.
